ELECTRONICS

Winter is here!

Limited time offer only valid from
01/01/12 through 03/31/12

There's no better time to get your monitored alarm system upgraded with GSM back-up coverage.

We have had many reports over the last month of burglars cutting phone lines on the outside of people's homes before breaking in and cleaning out their home. If you do not currently have a GSM unit installed and your phone line is cut the monitoring company will NOT get your alarm signal!

Act NOW and get the GSM unit for only \$200.00!
That's **FREE** labor and **ZERO** initial set up charges!
A **\$75.00 savings**, instantly.

We care about your protection, call us to schedule installation today!!!

Call today for a **FREE** estimate!
